WG7:

I'd suggest a further discussion to differentiate between Sp. Administration and Political System? Last the point, but this needs a more detailed account!!

WG7:

Do you mean that corruption at the Spanish judicial system, dismantles the mediator capacity of Public Administration?

Isn't it better for heritage if less houses are built?
Even if that means that less archaeologists have work in the excavation sector?
discuss some

(From an outsider's perspective...)
I think the crisis & lack of resources has resulted in more creative solutions to urbanism, migration, art, heritage, etc. → in ATHENS, GR. →
